

Tara Tedrow Presenter for NAIOP Webinar on Land Use and Marketability

Jan 22, 2021

Shareholder Tara Tedrow will be the featured speaker for a presentation hosted by NAIOP Central Florida Chapter on February 17, 2021. The webinar, titled "Up Close: Greatest Challenges to Increasing Land Value and Marketability," will discuss the challenges of early-stage land development that must be appropriately handled to maximize a property's value. Topics addressed will include comp plan amendments ; school capacity agreements (if residential); zoning approvals; waiver, variances and conditional uses; and non-confirming uses.
