

## Lowndes Webinar | August 5 | Mandatory Covid-19 Vaccinations in the Workplace: An Overview and Q&A

Aug 06, 2021

With the Delta variant surging and employers eager to get back to "normal," more companies, organizations and governments are mandating Covid-19 vaccinations for their employees. As an employer, it's important to understand the legal considerations before deciding on a policy for your particular workplace.

Our panel of labor and employment law attorneys will provide an overview of the important issues surrounding employer-mandated vaccinations and then host an interactive Q&A session to address your questions. Topics will include:

- Can employers require Covid-19 vaccinations?
- What about employees who can't or won't be vaccinated?
- Is a vaccine mandate right for your workplace?

Presenters:

- Rachel D. Gebaide, Shareholder & Chair, Lowndes' Labor & Employment Law Group
- Morey Raiskin, Of Counsel
- Abood Shebib, Of Counsel
