Foreign Operations & Investments in the US

Opportunities for business growth and success in today's global marketplace know no boundaries. Many of our clients have either international operations or are foreign-based businesses with interests in the United States. Whether inbound or outbound, we help our clients navigate transnational issues and manage their legal exposure across jurisdictions. This wealth of intellectual capital assists clients in a multitude of areas, including:

- Intellectual Property and Technology Transactions and Protection
- Patent Protection and Prosecution
- Entity formation, whether domestic or international
- Licensing
- Financing
- Cross-border loan and syndicated loan agreements
- Cross-border lease transactions
- Commercial agreements
- Domestic and international tax planning
- Litigation

Our international practice team is augmented by Meritas, a global alliance of more than 7,500 experienced lawyers in over 190 full-service law firms - all rigorously qualified, independent and collaborative. Our clients have access to legal counsel in 256 markets in 97 countries, and ongoing recertification and periodic peer reviews help ensure Meritas firms' adherence to high levels of client service.
