# Oviedo Implements Major Overhaul of Land Development Code

Article  
Lowndes  
11.19.2024

The City of Oviedo has enacted significant revisions to its Land Development Code (LDC), introducing new regulations and standards that will impact future development within the city. These changes address various aspects of urban planning, environmental protection, and community development, including:

- Administrative Processes
- Development Agreements and Permits
- Zoning and Target Areas
- Environmental and Design Standards
- Parking and Signage
- Sustainable Development
- Non-Conforming Situations
